Dear Elder White:

Your recent reminder of the efficient provision accompanied your announcement is very much appreciated. "She being dead yet speaketh, God has lead this people on, and is still leading, through His chosen servant, for which we praise Him.

In the first pages of Great Controvers it is stated that the Father had an an associate—Apo worker...The only being that could enter into all the councils and purposes of God. "The Father wrought by His son in the creation of all heavenly beings..."He holds supremacy over them all. "Sin originated with highest in power and Glory amonh the inhabitants of God, and was to Christ he was first among the hosts of God. The Son of God had wrought the Fathers will in the creation of all the hosts of heaven. "The Son of God was exalted above Satan as one in power and authority with the Father. Christ created Satan. Eze. 28:15.

It is urged by some of our leaders now that The Holy Spirit is a third person of the same nature of the Father and son, a member of the heaven'y trio, cooperative in creation and personaly active with the Father and son. For many years I have used these statements of Sr. White in combatting false teachings relative to definining the Holy Spirit.

your mothers position in refference to the personality the Holy Spirit

Does Sister Whites writings any where teach that prayer should only be addressed to the Father, or that we should not address Christ in prayer, only through the Father?

Does she anywhere tell what that power is in the glorious holy mountain? Don. 11:45

J know Brother White you would not depart from of them as any one. I shall appreciate your opinion very much.

Assuring you of the high esteem and respect I have had from my childhood your fether , mother and family,

I am very truly yours in this blessed faith.
