[excerpt]

A dozen years ago, when the conferences with Barnhouse and Martin were taking place, they asked a question that had been asked by many others -- just what do Adventists believe relative to the eternal pre-existence and complete Deity of Christ?

We have made a clear statement. But recently I have developed a little monograph that I think makes a pretty clear presentation of the place of the Second Person of the Eternal Godhead. This may be of interest to you. I would be interested in your reaction.

I have sent this to a few non-Adventist scholars to see how they would view this presentation.
